Transguard staff save up to 750 lives

150 members of staff donate blood – event now quarterly

The Transguard Group, an Emirates Group company recently organised their first 'Blood Donor Initiative' which was heralded a great success with 150 people donating blood at the mobile blood donor unit positioned at the Transguard Head Office building in the Dubai Airport Free Zone recently.

The mobile unit attracted a lot of attention and donors from Transguard and Emirates Group Security were joined by others drawn from neighbouring companies in the Free Zone as well as visitors to the building.

"The initiative was a great success," said Syed Irfan, Head of IMS at Transguard. "Each pint of donated blood can save up to five lives, so in two days we have made an impact on the wellbeing of up to 750 people.

"I would like to say a big thank you to everyone who gave blood and also to the team from Emirates Group Security and to the Transguard IMS team who both worked very hard over the two days to make sure everything ran smoothly and to encourage people to take part.

"The campaign was such a success we are now working to repeat it every three months," concluded Syed
